Ian Schwartz

Front-End Web Developer

11 Westland Road, Watertown, MA 02472
(857) 498-9324
ian@schwartz.world

BACKGROUND

I have been programming in JavaScript since 2014, completely self-taught, and professionally since 2018.

EXPERIENCE

Indigo Ag, Charlestown, MA - *Front End Software Engineer*

Sep 2019 - PRESENT

- Lead projects to remove technical debt from our React codebase, rooting out persistent sources of bugs
- Designed and implemented an accessible data-driven table with inline editing features
- Unit, functional and integration testing of our front-end code
- Attended meetings with stakeholders
- Conducted interviews for candidates ranging up to staff engineer

Superpedestrian, Cambridge, MA - *Front End Web Developer*

May 2018 - Sep 2019

- Built a data-driven dashboard app in modern ReactJS
- Transitioned the app from class components to hooks
- Built interactive maps with LeafletJS, integrating them into React
- Built a bot using Python Flask to load test our API
- Occasional backend work using Django Rest Framework

EDUCATION

Berklee College of Music, Boston, MA

Sep 2000 - June 2005
